

Why choose OneSails

The next generation of sails™

1. Service

A core activity for every OneSails loft is providing first class service, support and assistance. As part of our service commitment, each OneSails loft has a team of experts on hand to ensure that we can deliver on our service pledge. In addition to a growing number of principle lofts, the OneSails Group has an extensive network of service centres strategically placed around the most important sailing venues of the world.

2. Exclusive technology

Since 2007 the OneSails design team have developed exclusive technologies to make one-piece continuous thread sails a reality for cruising and racing boats.

3. Performance

Features like weight, shape control and deformation resistance mean better performance compared to traditional panelled sails.

4. Quality

M3™ and 4T FORTE™ membranes are exclusively made in Europe in our unique, purpose-built, facilities ensuring that stringent manufacturing standards are maintained.

5. Design

The best sail shapes are the result of continuous analysis and experience. OneSails is at the forefront of the sailmaking industry, continually investing in research and development to ensure that the very best sail shapes are available. The success of this approach is confirmed by the vast array of racing trophies OneSails clients have won, competing at National, International and World Championship level.

Classic Sails

Handcrafted finishes

A deep expertise that goes way back and a real passion for detail make the sails the ultimate combination of style, tradition and uncompromised quality.

Sails for vintage, classic and modern classic

A long tradition.

Our sails are distinguished by the precision and care used in their finishing. Access to customized fittings as well as an extensive archive on classic yachts enable us to build sails which are particularly suited to maintaining the feeling and timeless character of classic craft.

Above all our craftsmen's long tradition of high quality workmanship provides the greatest assurance of customer satisfaction. Our team has extensive experience building sails for every era from the hand sewn canvas of the Amerigo Vespucci to the sleek aero-foil shapes of the International 12 meter class.
